

“Where does the Swiss love of Jazz come from?”

– asks jazz critic Ulrich Stock in *Die Zeit*. The view from the outside has many marvelling at how such a diverse and colorful jazz scene blooms in alpine Switzerland and the urban areas around Zurich, Basel, Bern, Lucerne, Lausanne and Geneva. Many jazz musicians live and work here, there are a number of prestigious festivals, many jazz clubs, six jazz universities, a jazz newspaper and a few labels.

Intakt Records is an active part of the Swiss music scene as a music production company, CD label and publishing house with a broad international distribution and promotion network. We are located in Zurich with a board that includes musicians, and Jazz from our locality is a strong focus of the program. These productions stand alongside releases of musicians from New York, Berlin or London.

It all began at the first Taktlos Festival in 1984, when highlights from Irène Schweizer's concerts with her international friends George Lewis, Maggie Nicols, Günter Baby Sommer, Joëlle Léandre, Lindsay Cooper and Paul Lovens led to the first Intakt record. These early recordings already demonstrated the programmatic approach of the label – highest artistic quality, meticulous editorial work, a spirit of open-mindedness and fostering relationships between musicians from diverse scenes and backgrounds.

This catalog presents a selection of almost 200 productions with Swiss musicians. You will find the CDs of several generations with established names standing alongside young rising stars. Prepare to be surprised!

«Woher kommt die Schweizer Liebe zum Jazz?»

– fragt der Jazzkritiker Ulrich Stock in *Die Zeit*. Viele staunen, wie in der bergigen Schweiz mit ihren urbanen Räumen um Zürich, Basel, Bern, Luzern, Lausanne, Genf eine vielfältige, bunte und aktive Jazzszene blüht: Hier leben und arbeiten viele Jazzmusiker*innen. Es gibt renommierte Festivals, Jazzclubs und Jazzhochschulen, eine Jazzzeitung, mehrere Labels.

Als Musikproduktionsstätte, Verlag und CD-Label mit einem international breit aufgestellten Vertriebsnetz und reger Promotionstätigkeit ist Intakt Records aktiver Teil der Szene Schweiz. Wir sind in Zürich situiert. Musiker*innen sind im Labelvorstand. Jazzer*innen aus unserer nächsten Nachbarschaft bilden einen starken Schwerpunkt des Labelprogramms. Ihre Produktionen stehen neben den Veröffentlichungen von Musiker*innen aus New York, Berlin oder London.

Es begann am ersten Taktlos-Festival 1984. Die Highlights der Konzerte von Irène Schweizer mit ihren internationalen Freund:innen George Lewis, Maggie Nicols, Günter Baby Sommer, Joëlle Léandre, Lindsay Cooper, Paul Lovens führten zur ersten LP von Intakt Records. Diese frühen Aufnahmen zeigen die programmatische Ausrichtung des Labels: höchste künstlerische Qualität, sorgfältige editorische Arbeit, Weltoffenheit und die Begegnung von Musiker*innen verschiedenster Szenen und Backgrounds.

Dieser Katalog präsentiert eine Auswahl der bald 200 Produktionen mit Schweizer Musiker*innen. Sie finden die Werke mehrerer Generationen. Bekannte Namen stehen neben jungen aufgehenden Sternen. Lassen Sie sich überraschen!
